

On line solutions empowering Charities to collect donations, gather contacts, promote their brand and raise awareness of their work.

www.kurve-software.com

Innovative Charities required to work with us on providing web based solutions to their supporters.

Our Giving Solutions are available for a single payment of £1,750 each plus an ongoing £350 per annum thereafter.

We provide all of the technical integration and branding work within this price.

We have prepared marketing strategies for each solution and will offer assistance where required and geographically possible.

This is a partnership opportunity to work closely with our innovative team to help promote your Charity, raise awareness for your work and collect donations or sponsorship direct.
